

Totally Excellent Music Parents Organization

Volunteer Opportunities

Besides financial contributions, TEMPO relies greatly on family volunteerism – in board positions, as event chaperones, during fundraising drives, and as hospitality coordinators. Without the dedication and support of their family members, our students would not have the opportunity to enjoy this once-in-a-lifetime experience.

Chaperones assist students in preparing for performances and travel, as well as general supervision during competitions and events. In general, chaperones should be able to stand and/or walk long distances while supervising students. Duties include, but are not limited to, adjusting uniforms, cleaning shoes and hats, adjusting hair, and placing and removing plumes. Chaperones also assist with serving student meals and refreshments during offsite performances, providing water during warm-ups and parades, providing assistance to ill students, and escorting students to restrooms when necessary.

PLEASE NOTE: While there are often passes included in the registration package for events, Chaperones should come prepared to pay the admission fee for games and events if they wish admittance to the field shows.

If you have not already, please consider making a contribution of yourself to this year's Blue & Black Brigade.

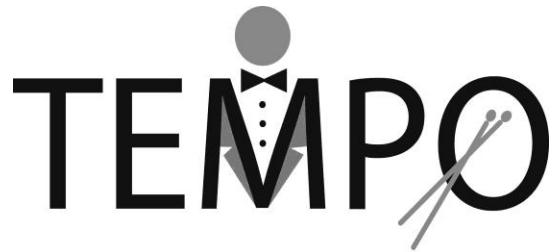

Attached is a list of volunteer opportunities for parents and other family members. Please check those opportunities which most appeal to you and your talents, and include the best way to contact you. Forward completed form to tempo@whhstempo.com or present to any Board member.

If we don't have an opening that matches with your talent this year, we'll try again next year.

Thank you for your support!

TEMPO's mission is to support the activities of the West Hills High School Blue & Black Brigade – band, guard and drumline - through volunteerism, fundraising and community outreach.
